# **A Four Step Plan To Make Money With A Clickbank Program**

If you want to make money with a Clickbank program, this four step strategy is easy to follow and you won't have to spend a single dollar to put the basic version into practice if you don't want to.

Step One - Find a good product to promote! One free way of doing that is to go to the Clickbank Marketplace and search there. However, the Clickbank Marketplace is pretty basic so you might want to try an alternative service such as Cbtrends.com, which is completely free.
