# **How To Generate Multiple Income Streams With An Internet Business From Home**

The book, *Multiple Streams Of Internet Income*, by Robert G. Allen, outlines 6 income streams that you can create with an Internet business from home.

With respect to multiple streams of income online, you want your first stream to be derived from your main product or service.

Now before we look at the other 5 streams of income, we are going to need to set up 2 more items. Without these two items, you may as well just pack it in, as you will never have a successful Internet business from home.
